August 30, 2011

Dear Parents/Guardians,

The Live 2 Learn Afterschool & Summer Program is looking forward to another school year filled with opportunities for your child/children and families. At the same time, due to a reduction in funding from the Department of Education, the 21<sup>st</sup> Century Community Learning Center program may discontinue funding the Live 2 Learn Program after June 30<sup>th</sup>, 2012. Fortunately, we expect that the program will continue to operate the following year due to revenues generated from participation fees, local / private donations, and additional grants. Nevertheless, this will be a very important year for families to decide if the Live 2 Learn Program should continue to support youth, families, and our school as it has for the past seven years.

The Live 2 Learn Program will continue to operate **Monday - Thursday from 2 – 5:30 pm** and on **Fridays from 2 – 4:30 pm**. Live 2 Learn will NOT operate on half days, snow days and early release days unless otherwise specified. Families will continue to provide transportation from Live 2 Learn and if this prevents your child/children from participating in the program we are more than willing to meet and discuss transportation arrangements.

The Live 2 Learn Program will continue to provide an academic hour and an hour of afterschool activities as it has in previous years. Our extended hours, which are optional, from 4 – 5:30pm, will offer student's access to school resources with an emphasis on individual student interests. During this time students may continue to work on additional homework or participate in other activities being offered.

Most notably, the Live 2 Learn program will continue to be a fee-based program. This is critical in ensuring the program remains in the community after the grant has ended. Live 2 Learn has been considerate in our rates and adjusted them according to parent survey feedback. This will not exclude students and families from the Live 2 Learn program that cannot afford it. Live 2 Learn will meet and discuss affordable options for any family that is concerned about student fees. Note: The following fee structure has increased by \$5 to help the Live 2 Learn Program work towards our goal of being a self-sustaining program. The fees for student's to participate in Live 2 Learn is based on full/reduced/free lunch guidelines, please make sure to get your forms back in to the school so that we can help assist you in the cost of the program.

\$95 - \$85 - \$75 Full Time Program (3 or more days a week/session)

\$55 - \$45 - \$35 Part Time Program (1 - 2 days a week/session)

10% Discount for families with 2 or more children enrolled in the Live 2 Learn Program

Participation fees can be paid for before, during, or by the end of each session. Billing will be mailed
