| M.S.A.D. #12 POLICY  
| DETENTION OF STUDENTS

| Teachers and administrators have the authority to detain students after school hours for  
| infractions of classroom or school rules. Before assigning students to detention, the  
| student will be informed of the reason for the detention, and the student will be given an  
| opportunity to explain his/her version of the incident. Teachers/administrators have the  
| discretion to substitute alternative discipline in cases where they deem detention  
| inappropriate.

| All students detained for disciplinary purposes will be under the direct supervision of a  
| member of the professional staff or other person designated by the building administrator.  
| Students in detention are expected to use the time constructively to complete school  
| assignments or for other educational purposes. Students who fail to serve a scheduled  
| detention may be subject to additional disciplinary measures.

| The Superintendent/designee is authorized to develop and implement any administrative  
| procedures necessary to carry out this policy.
